

Thank you for taking part in this survey!

Directions: This survey asks you questions about your town and the area where you live. There are questions that ask you about the town center, indoor and outdoor exercise areas, community buildings, and sidewalks and roadways.

It should take you 15-20 minutes to complete the survey.

Here are some things to think about as you take the survey.

- **The Area around your home** - This includes your home and yard; the streets, parks, and fields around your home; and the homes close to your home.
- **Your Town** - the community or town is closest to your home (**i.e. to work, to school, or to shop**).
- **INDOOR exercise areas** - think about **indoor** places people use to be active, such as indoor pools, recreation centers, YMCAs, gyms, fitness centers, exercise rooms, sports courts, skate areas, or areas with exercise or sports gear (balls, treadmills, etc) in your town. These are places you can either get in free or pay to use.
- **OUTDOOR exercise areas** in your town – think about **outdoor** places that are designed for physical activity, such as pools, sports fields, sports courts, skate areas, tracks, trails, parks, lakes, rivers, or playgrounds.
